4 DEFINITIONS

- 4.1 **Academic Year:** *Refer to paragraph 7.1.*

course of study. The Student's work shall be expected to fulfil the learning outcomes of a study unit. Assignments may require to be done away from the institute (at home) within a particular timeframe (which can be anything from a few days to a number of weeks) and are to be handed in by a pre-established deadline which is normally within the semester in which the unit is being delivered.

- 4.4 **Core Units** are compulsory units which must be passed to complete a qualification.
- 4.5 **Col:** The MCAST Council of Institutes.
- 4.6 **DDPM:** The DDPM is the Foundation College's 'Deputy Director Programme Management', responsible for both programme and Student progress. Students are advised to get to know the DDPM within their Institute, and to refer to this person in cases where guidance or assistance is required.
- 4.7 **Interruption of Studies:** An authorised, temporary break from a programme of study usually due to extenuating circumstances.
- 4.8 **Key skills:** Key skills are a range of essential skills that underpin success in education, employment, lifelong learning and personal development. Thus, Mathematics, Maltese, English, IT, Science, Personal Development, for example, are essential key skills. - 4.10 **Optional Units** are units which are chosen by the Institute from a prescribed list. A pass mark in each study unit is normally necessary to complete a qualification. If compensation is envisaged (e.g., where the achievement of a good grade in one unit makes up for a non-satisfactory grade in a different unit), this shall be indicated in the MCAST regulations and/or the Students' Handbook.
- 4.11 **Prerequisite/s:** A study-unit or units, exam/s or qualification/s which must be passed before entry to another unit/s or progression to another course is normally necessary. This shall ensure that a suitable grounding has been established before moving to a more demanding level of study. Entry to a new course would normally be denied if the prerequisite is not in place.
- 4.12 **Progression:** Progression means the movement through registration by a Student to a higher level course upon completion of a course of study.
- 4.13 **Qualification:** The academic title conferred upon a Student who has successfully completed a programme of study which has been approved by the Col. Programmes are normally made up of study units which may also be referred to as modules. The number of study units per programme may vary.
- 4.14 **Study Unit or Module:** A study unit or module is a self-contained study component delivered in an Institute. An MCAST programme of study is normally made up of a number of study units, some of which are compulsory while others might be optional.

Document Title	FOUNDATION COLLEGE PROGRAMME REGULATIONS			Page 6 of 24

- 4.15 **Synoptic Assessment:** An opportunity for Students to re-attempt a unit in which they have failed to achieve 50 % of the overall mark for that particular unit. The assessment covers a cross-section from all the Learning Outcomes for the respective unit. The assessment may include time-constrained examinations.
- 4.16 **Time Constrained Assignments (TCAs):** Assignments in the form of an examination, done in class, under supervision. TCAs may be carried out during the delivery period of a unit, or at the end of a semester in which a unit is completed. The dates and venues for TCAs shall be communicated to Students in advance either through the notice boards or other means of communication.
- 4.17 **Withdrawal from Studies:** The discontinuation of a programme of study (resignation) with no intention of continuing the same programme of study at a later stage.

Document Number	003	Document Revision	A	Date Issued	25/11/16

- 5.2.4 *Continuous assessment of work typically warrants continuous effort and application on the part of the Student. If such work is left to accumulate and/or overlap with the delivery of new units and further coursework, the Student will find that he/she is unable to complete the work expected of him/her by the prescribed deadlines. This may have a negative impact on his/her performance.*
- 5.2.5 *When a Student is alleged to have committed a breach of academic conduct, a report shall be made in writing to the Institute Director. A summons (refer to Form referenced below) is then issued to the Student to appear in front of the Institute / Corporate Student Disciplinary Board (IDB).*
- 5.2.6 *Additional information regarding academic misconduct, disciplinary procedures, conduct during assessment / examinations can be found in the procedures referenced below. The Student is encouraged to read through these procedures at the beginning of the academic year.*

MCAST considers that it has a responsibility to promote good health, by raising the awareness of Students and employees as to the risks of drug and alcohol misuse and by offering counseling for those who have a drug or alcohol problem.

MCAST policy on the misuse of drugs is to comply with the laws of Malta and police will be notified if a student, employee or any other person is found on any of the College's campuses to:

- a) Be in possession of illegal drugs, or*
- b) Be supplying / providing or using illegal substances.*

The College Drugs and Alcohol Policy is available in the document referenced to below.

5.4 Reporting of Grievances

- 5.4.1 *Some grievances may result from misunderstandings, while some others are genuine cases of unfair treatment or misconduct.*

Before a Student resorts to a formal grievance, he/she is encouraged to first seek to resolve the matter informally. In many cases, a fair dialogue between parties involved may lead to an amicable solution, without the need to go any further in settling issues.

MCAST acknowledges the fact that a Student may wish to resolve his/her grievance informally, thus achieving a fair solution without the need of going for the formal procedure. In case a Student feels dissatisfied with the outcome of the informal handling of the grievance procedure, then s/he is free to make use of the formal procedure as regulated below.

All grievances shall be dealt with in the strictest confidence, and they should be reported to the Institute Director who will then act and refer the case accordingly.

10.5 Submission of Individual Home-Based Coursework

- 10.5.1 *Once set, coursework deadlines can only be changed in exceptional circumstances and then only by the authority of the Institute Director.*
- 10.5.2 *Students are advised to fully understand the implications when deadlines for the presentation of work are not respected.*
- 10.5.3 *As a general rule, all home-based assessment material shall be physically handed in by 2pm on the due date unless otherwise stipulated by the Institute. Students are advised to inform themselves on the official drop-off points at the Institutes for the physical copy of the coursework.*
- 10.5.4 *The physical copy of the Coursework is to be handed in together with the 'Coursework Front Sheet / Feedback Form'. Coursework which is handed in without this form shall not normally be accepted and/or assessed.*
- 10.5.5 *Students who are unable to present the physical copy of the home-based coursework on the submission date due to a valid reason will be expected to:*
a) *Inform the Institute administration by phone on the morning of the submission date*

Document Title	FOUNDATION COLLEGE PROGRAMME REGULATIONS			Page 16 of 24
Document Number	003	Document Revision	A	Date Issued 25/11/16

and;

b) *Submit the assignment together with the relevant evidence (such as Medical Certificates if any) immediately upon their return to the institute.*

10.5.6 *In cases of prolonged illness or similar extenuating circumstance, or in cases where Students are aware in advance that they will miss the deadline for a valid reason, they are to inform the Institute Director or the relevant Deputy Director / DDPM prior to the submission date and request an extension (refer to section 10.9 'Request for Consideration of Extenuating Circumstances for Extension of the Submission Deadline of Home Based Assignment'). The Director or the relevant Deputy Director / DDPM are to inform the lecturer/s concerned accordingly.*

10.5.7 *Late work shall not be accepted and shall not be assessed. In such cases, Students would have forfeited the respective marks and the assessor's feedback.*

10.6 Successful Completion of Coursework

10.6.1 *For each coursework assigned to the Student, the assessor shall provide feedback on the Student's performance as well as the total marks achieved in the coursework.*

10.6.2 *The total mark for each unit is calculated by summing up all the marks obtained in (all) the respective assessments set for each unit.*

10.6.3 *At the end of each Unit of study, Students will be awarded a grade which reflects the total mark obtained in accordance to the table provided below:*

% Mark	Award Grades
90 - 100	A*
80 - 89	A
70 - 79	B
60 - 69	C
50 - 59	D
< 50	Unclassified (U)

10.6.4 *If a Student fails to submit one of the assessments set, s/he may attempt the remaining assessments (for the respective Unit). However, the maximum mark that may be achieved for the respective Unit is 59 % (Grade D).*

10.7 Unsuccessful Completion of Coursework and Non-Submission of Integrated Assignments

10.7.1 Synoptic Assessment

10.7.1.1 *Following the submission of all the unit coursework and its subsequent assessment, Students are assigned marks for each task. In cases when the overall minimum of 50 % is not achieved, the Student is considered to have failed the Unit but shall however be eligible to sit / attempt a synoptic assessment of that failed unit on one occasion only.*

Document Title	FOUNDATION COLLEGE PROGRAMME REGULATIONS			Page 17 of 24
Document Number	003	Document Revision	A	Date Issued 25/11/16

10.7.1.2 *The Student will be notified that she/he is eligible to sit for the synoptic assessment of that particular unit. Students who opt to formally appeal the result of an assessment will not have the result of that assessment changed until successful hearing of the appeal. For this reason the Student concerned is to continue with all ongoing activities (such as synoptic sits) under the assumption that his/her assessment result may not change. If in the event of a successful appeal the initial assessment result has been amended, the Student may seek to declare the subsequent synoptic results null and void and retain the earlier result. This may happen if an appeal takes place at a later date than the synoptic assessment.*

10.7.1.3 *The following sub regulations exist for the synoptic assessment: The synoptic assessment:*

- a) *is normally held during the same academic period, but not later than the September following that period;*
- b) *covers a cross-section of the unit from all the Learning Outcomes for the respective unit in question;*
- c) *may also include practical tasks;*
- d) *can be held as a time constrained assessment or through other assessment tools.*

The maximum mark that may be obtained in any synoptic assessment is 59% (Grade D).

If a Student does not achieve at least 50% in the synoptic assessment of the failed unit(s), the Student is considered to have failed the programme of study.

10.7.1.4 *Students who fail a unit or a number of units after the synoptic assessment may be considered by the Board of Studies to repeat the outstanding units, with attendance, with the following cohort, assuming space on the course permitting and subject to same unit being delivered in the following cohort. In this case, the Student is still eligible for a synoptic assessment under the same conditions as above (with the new cohort).*

10.7.1.5 *The Board of Studies cannot guarantee that any of the units delivered during any one cohort period will feature again in the following cohort's programme or any subsequent programmes.*

10.7.1.6 *If a Student fails one or a limited number of units and the programme of study is no longer in existence, the Foundation College may consider mapping the Students' successful units onto a similar programme of study, and allowing the Student to follow the unmapped units of this new programme in order to complete his/her studies. The Student, if successful would then graduate under the new programme of study.*

10.7.2 Non-submission of Integrated Assignments

10.7.2.1 *In case of integrated assessments where the coursework has embedded criteria from Key Skills subjects, if a Student does not submit one such coursework the grade for that particular Vocational Unit will be downgraded to 'D' and any embedded Key Skill subject that carries 25 marks and over in that particular assignment, will also be downgraded to 'D'. However, if the embedded Key Skill carries 24 marks or less, the Student will lose the marks allotted for the key skills criteria but the Key Skill unit grade will not be downgraded to 'D' for the non-submission of the vocational integrated coursework.*

APPENDIX 1 : SKILLS KITS REGULATIONS

1. Structure

Each Skills Kit carries 1 Credit (ECVET) and consists of about 20 contact hours. Typically, the year is divided into three terms. At the beginning of each term, the student registers for a number of Skills Kits which cannot exceed 10 Skills Kits per term, ie. not more than 30 Skills Kits over an academic year.

There is no restriction on the duration of the course as the student can spread out the Skills Kits over a number of years.

2. Assessment

There are no synoptic assessments or resits for the Skills Kits. If a student fails a Skills Kit, the student would need to repeat that particular Skills Kit and successfully complete its assessment for the student to be certified in that Skills Kit.

3. Certification

Students are certified for each Skills Kit they are successful in. On successful completion of 30 Skills Kits, the MCAST Introductory Skills Certificate at Level 1 is obtained.

4. Progression

Students are eligible to progress to Level 2 if they successfully complete at least 30 Skills Kits which must include 6 Skills Kits from Employability Skills, 6 Skills Kits from Personal Skills and 3 Skills Kits which target English, Maltese and Maths.

5. General Regulations

The following general regulations (as described in main document) apply to Students registered on Skills Kits programmes;

Paragraph 1: Purpose of document

Paragraph 2: Applicability of regulation

Paragraph 3: Updating and dissemination of regulation

Paragraph 4: Definitions

Paragraph 6.1: General programme information

Paragraph 5: Student behaviour, academic conduct and reporting of grievances.

Paragraph 7: Academic year

Paragraph 8 Programme delivery

Paragraph 9: Attendance regulations

Paragraph 10: Continuous assessment, excluding 10.1.5 to 10.1.8, 10.6.4, 10.7 and 10.10

Paragraph 13: Student Support Services
