- 5.2.4. Continuous assessment of work typically warrants continuous effort and application on the part of the Students. If such work is left to accumulate and/or overlap with the delivery of new units and further coursework, Students will find that they are unable to complete the work expected of them by the prescribed deadlines. This may have a negative impact on their performance.
- 5.2.5. Additional information regarding academic misconduct, disciplinary procedures, conduct during assessment / examinations can be found in the procedures referenced below. Students are encouraged to read through these procedures at the beginning of the academic year.

Document Title	PROGRAMME REGULATIONS MQF/EQF LEVEL 4			Page 9 of 34

MCAST considers that it has a responsibility to promote good health, by raising the awareness of Students and employees as to the risks of drug and alcohol misuse and by offering counselling for those who have a drug or alcohol problem.

MCAST policy on the misuse of drugs is to comply with the laws of Malta.

The College's procedure related to illegal substances is available in the document referenced to below.

Reference Documents;

- Doc 212: Illegal Substance Procedure

5.4. Reporting of Grievances

5.4.1. *Some grievances may result from misunderstandings, while some others are genuine cases of unfair treatment or misconduct.*

Before a Student resorts to a formal grievance, they are encouraged to first seek to resolve the matter informally. In many cases, a fair dialogue between parties involved may lead to an amicable solution, without the need to go any further in settling issues.

MCAST acknowledges the fact that a Student may wish to resolve his/her grievance informally, thus achieving a fair solution without the need of going for the formal procedure.

In case a Student feels dissatisfied with the outcome of the informal handling of the grievance, then they are free to make use of the formal procedure as regulated below.

10. CONTINUOUS ASSESSMENT

All types of assessments are important:

- *those that occur in daily classroom interactions among lecturers and students;*
- *those set by lecturers at the end of a particular phase in the work, and;*
- *those developed and administered by external agencies.*

Together, they serve multiple purposes:

- *to help students learn,*
- *to illustrate and articulate the standards for quality work,*
- *to inform teaching,*
- *to guide curriculum selection,*
- *to monitor programmes,*
- *to provide a basis for reporting concrete accomplishments to interested parties, for accountability, among others.*

No one assessment serves or can serve all the possible or desired aims of gauging students' knowledge and abilities, understanding the nature of their thinking and supporting their learning. Hence, a variety of assessment tools, incorporating sections for assessor feedback per question/task, are to be designed and offered to students, including those outlined below.

10.1. Continuous Assessment, Learning Outcomes, Grading Criteria and Assessment Tasks

10.1.1. All Units of study are assessed throughout the academic year through continuous assessment using a variety of assessment tools.

10.1.2. Coursework tasks are exclusively based on the Learning Outcomes and Grading Criteria as prescribed in the course specification. No alterations, deductions or additions to the approved unit Learning Outcomes shall be allowed. The Learning Outcomes and Grading Criteria are communicated to the Student via the coursework documentation.

10.1.3. The method of assessment shall reflect the Level, credit points (ECTS) and the schedule of time-tabled/non-timetabled hours of learning of each study unit.

10.1.4. A variety of assessment instruments, not solely TCA, are used to gather and interpret evidence of Student competence toward pre-established grading criteria that are aligned to the learning outcomes of each unit of the programme of study. The distribution of marks and assessment mode depends on the nature and objectives of the unit in question.

10.1.5. Units are to be designed with a holistic overview of the whole programme of studies to ensure that a balance between the different domains is achieved according to the guidelines provided in the MFHEA (formerly NCFHE) Referencing Report and as approved by the Education & Training Programmes Department.

In each unit, all domains of Bloom's Taxonomy (knowledge, understanding, application, analysis, synthesis and evaluation, and creation) shall be addressed in the specified grading

Document Number	004	Document Revision	J	Date Issued	23.09.2022

criteria. The weighting for each domain (and the marks allocated per criteria), shall be determined by the nature of the unit and addressed at grading criteria design stage e.g. a practical unit will most likely include a higher number of application and creation criteria compared to theoretical units. Similarly, assessment for units/programmes at higher levels should move more towards synthesis and Evaluation rather than Knowledge and Understanding.

10.1.6. Grading criteria are assessed through a number of tasks, each task being assigned a number of marks. The number of grading criteria is described in the marking scheme that is included in the respective Programme Specification. Rubrics and/or model answers should be utilized to facilitate an understanding of the grading for a particular assignment.

10.1.7. Coursework shall normally be completed during the semester in which the Unit is delivered.

10.1.8. Time-constrained assignments may be held between 8am and 8pm during the delivery period of a Unit, or at the end of the semester in which the Unit is completed. The dates are notified and published on the Institute notice boards or through other means of communication. Students are to be responsible enough to be available for allocated TCA time schedules.

10.1.9. Certain circumstances (such as but not limited to the Covid 19 pandemic) may lead Institutes and Centres to hold Time-constrained assignments remotely (online). In such cases the regulations listed in the document referenced below apply.

10.2. Class Based Assignment/Assessment

10.2.1. Class-based assessment is both a teaching approach and a set of techniques that may be applied in an educational setting. The approach is that the more pedagogues know about what and how students learn, the better they can plan learning activities to structure teaching.

10.2.2. The techniques are mostly in-class/lab/workshop activities, which are not time dependent, that give useful feedback on the teaching-learning process aimed at course improvement and student understanding/learning/competence/skills, apart from assigning grades.

10.2.3. Nature of CBA: CBA can be administered:

- on either a closed-book or open-book basis, to gauge students' assimilation and comprehension, allowing the possibility of improving performance and, hence, the result, as indicated by the lecturer on approval of the internal verifier,
- over a period of time - broken down into a number of CBA sessions, lessons and feedback as designed by the lecturer and approved by the internal verifier.

Document Title	PROGRAMME REGULATIONS MQF/EQF LEVEL 4			Page 17 of 34	
Document Number	004	Document Revision	J	Date Issued	23.09.2022

The type of tasks in CBA should ideally involve application of knowledge and higher-order thinking and not merely knowledge and understanding.

- 10.2.4. **Format of CBA:** *CBA is to be tackled completely in a classroom/lab/workshop setting. Lecturer might collect the task sheet at the end of the lesson and provide feedback to the students during the next session. Students can then continue working on the second task (with the possibility, or not, of editing the previous tasks).*
- 10.2.5. **CBA Feedback:** *It is important that the feedback given is general, consistent and supports students in an objective and fair manner. Feedback given by the lecturer should not be specific but should help the student to clarify a vague statement, to focus more on particular aspects, or to supplement an answer with more details.*
- 10.2.6. **CBA Logistics:** *Students are to be informed well in advance, e.g., at least two weeks, of the start of the CBA period.*
- *The assignment distribution date is to be indicated on the Front Sheet.*
 - *As a CBA will involve a time span, i.e., the possibility of being over more than one class/lab/workshop session, this is also to be specified in the assignment front sheet. Hence, the CBA period has a start date and end date*
 - *Additionally, the lecturer can propose the amount of time the student is to spend on each task on the front sheet.*
- 10.2.7. *Some scenarios, not exhaustive, are outlined below:*
- *CBA may be carried out over a number of sessions covering different topics or learning outcomes via a number of tasks, designed as building blocks in a student's learning cycle.*
 - o *A CBA should be inherently developmental in nature from one session to the next, allowing the lecturer to provide feedback from task to task.*
 - o *The tasks may be related (one task building on the next) or unrelated (each task focusing on a different learning outcome).*

10.3. Absence from Class Based Assessments

- 10.3.1. *If a student is justifiably absent on the day of a CBA session, then the student will be given the opportunity to catch up during another planned dedicated session, since a CBA is time independent. (The Institute Secretariat is to be consulted as to whether the student has handed in a medical certificate or extenuating circumstances form, Doc 106 below refers).*
- 10.3.2. *If a student is unjustifiably absent, the student will be allowed to tackle the CBA during the remaining CBA sessions but not given extra time to recover the missed session.*

Document Title	PROGRAMME REGULATIONS MQF/EQF LEVEL 4			Page 18 of 34	
Document Number	004	Document Revision	J	Date Issued	23.09.2022

10.3.3. *Where the nature of the CBA does not lend itself to the previous scenario, such as practical CBAs (e.g., experiments in a lab) where tasks require particular supervision and arrangements by the lecturer, students are to be informed by the lecturer, prior to the start of the CBA, that unless they are justifiably absent there will not be another opportunity to attempt that part of the CBA. What constitutes a 'practical CBA' is to be endorsed by the IV, IVC and the Deputy Director involved.*

10.3.4. *In the case of absence from a CBA, where the student provides evidence of valid extenuating circumstances for missing the CBA, the student shall be allowed to sit, where possible, for just the part of the synoptic that relates to the Learning Outcome/s or Grading Criteria of that missed session/sessions.*

10.3.5. *Students who, for any reason, do not turn up on the days of the CBA sessions, without any justification, will not have the right to sit for a part synoptic. Part synoptic applies only for a CBA and TCA as specified in these MCAST programme regulations in line with DOC 106.*

10.4. Assessment Documentation

10.4.1. *The coursework documentation required for the assessment process includes as a minimum:*

- The Assessment and Internal Verification Front Sheet;*
- The Coursework Brief / Task Sheet / Assignment Brief.*

10.4.2. *The following information is the minimum information that needs to be recorded either in hard copy, in soft copy via CMIS, Moodle or in combination depending on the nature of the assignment being issued:*

- Grading Criteria and the assessment task/s;*
- Marks distribution*
- Date of internal verification release;*
- Deadline for submission of coursework;*
- Approval by Internal Verifier of Assignment Brief*
- Date of the publication of the coursework*
- Student's confirmation of authenticity;*
- Results and feedback to students by Assessor*
- Approval by Internal Verifier approving sample of assessment decisions*

10.4.3. *The coursework brief shall include the tasks assigned and the corresponding marks, together with any other relevant and essential material pertaining to the evidence required from the Students for their assessment.*

Document Title	PROGRAMME REGULATIONS MQF/EQF LEVEL 4			Page 19 of 34	
Document Number	004	Document Revision	J	Date Issued	23.09.2022

10.4.4. *In the Assessment Feedback section, Assessors record their decisions regarding the Student's assessment marks together with written feedback. The written feedback describes the Student's level of achievement and possible areas for improvement.*

10.4.5. *In the case of assignments which are uploaded via Moodle (especially THAs), Assessment feedback may also be provided electronically via Moodle itself (instead of the printed assignment front sheet).*

10.5. Issuing of Coursework Brief/s

10.5.1. *Coursework briefs will be issued to students electronically via the CMIS.*

10.6. Academic Integrity (Plagiarism)

10.6.1. *Document 099 'Academic Integrity Policy and Procedure' provides a detailed explanation of the duties and responsibilities of students when submitting course work including the academic integrity policy, guidelines for good practice, minor and major misdemeanours and the corresponding sanctions including disciplinary procedure where applicable.*

10.6.2. *Course work submitted by Students shall be authentic, genuine, not false or copied, wholly or in part. An authenticity declaration shall be completed via electronic confirmation upon submission of assignment via Moodle or on the Assignment Front Sheet Form as instructed by Lecturer.*

10.6.3. *Plagiarism is the deliberate and substantial unacknowledged incorporation in Students' work of material derived from the work (published or unpublished) of others or previous own work. It is considered by MCAST to be a very serious offence and can result in sanctions. In this regard Students are advised to be familiar with the relevant Academic Integrity policy and procedure referred to below.*

10.6.4. *Other work which was produced by the candidate for past/other study units shall not be included in their submission of a new coursework unless adequately referenced.*

10.6.5. *A candidate shall indicate by means of explicit references when citing work whether own or others.*

10.6.6. *Plagiarism may preclude Students from assessment and also carry further sanctions as envisaged in the College's policy regarding the subject.*

10.6.7. *Lecturers are required to instruct students to submit for marking all assignments online via one of the following approved platforms:*

- MCAST Moodle – URL (<https://moodle.mcast.edu.mt>)
- MCAST VLE – URL (<https://vle.mcast.edu.mt>)

Document Title	PROGRAMME REGULATIONS MQF/EQF LEVEL 4			Page 20 of 34	
Document Number	004	Document Revision	J	Date Issued	23.09.2022

Online submissions are strictly to be submitted on one of these platforms to ensure the authenticity and integrity of the submission, and to allow for full trackability of the student submission by MCAST management in case any issues may arise with the submissions. MCAST cannot provide support for any other submission platforms as they do not adhere to the trackability requirements of an integral submission on a specific date. MCAST also offer a plagiarism detection service on the above two platforms, which can help the lecturer judge whether a student has submitted their own, original work. The interpretation of the plagiarism results provided by this tool is at the lecturer's discretion, but a report drawn from this service/software, may strengthen the argument that plagiarism has taken place.

In cases when the student submission is in graphical or physical format (for example assignments which are not text based and include the creation of an artefact such as drawings, painting, sculpting, model/prototype-building or assignments which include arithmetic), the student is to be instructed to submit the assignment in person. The Lecturer is therefore responsible for identifying suitable tools / methods for verifying the originality of the work submitted as per the respective plagiarism policy.

10.7. Submission of Individual Home-Based Coursework

- 10.7.1. *Once set, coursework deadlines can only be changed in exceptional circumstances and then only by the authority of the Institute Director.*
- 10.7.2. *Students are advised to fully understand the implications when deadlines for the presentation of work are not respected.*
- 10.7.3. *As a general rule, all home-based coursework material shall be submitted electronically via Moodle . In some cases lecturers may request students to submit home-based coursework physically (refer to par 10.4.6). In such cases coursework is to be handed in by 2 pm on the due date unless otherwise stipulated by the Institute. Students are advised to inform themselves on the official drop-off points at the Institutes for the physical copy of the coursework.*
- 10.7.4. *Where requested the physical copy of the Coursework is to be handed in together with the 'Coursework Front Sheet / Feedback Form'. Coursework which is handed in without this form shall not normally be accepted and/or assessed.*
- 10.7.5. *Students who are unable to present the physical copy of the home-based coursework on the submission date due to a valid reason will be expected to:*
 - 1) *Inform the Institute administration by phone on the morning of the submission date and;*
 - 2) *Submit the assignment together with the relevant evidence (such as Medical Certificates if any) immediately upon their return to the institute.*

Document Title	PROGRAMME REGULATIONS MQF/EQF LEVEL 4			Page 21 of 34
Document Number	004	Document Revision	J	Date Issued
				23.09.2022

10.7.6. *In cases of prolonged illness or similar extenuating circumstance, or in cases where Students are aware in advance that they will miss the deadline for a valid reason, they are to inform the Institute Director or the relevant Deputy Director prior to the submission date and request an extension (refer to section 10.9)). The Director, or the relevant Deputy Director are to inform the lecturer/s concerned accordingly.*

10.7.7. *Late work for which the student did not submit a request through the extenuating circumstances process shall not be accepted and shall not be assessed. In such cases, Students would have forfeited the respective marks and the assessor's feedback.*

10.8. Successful Completion of Coursework

10.8.1. *For each coursework assigned to the Student, the assessor shall provide feedback on the Student's performance as well as the total marks achieved in the coursework.*

10.8.2. *The total mark for each unit is calculated by summing up all the marks obtained in (all) the respective assessments set for each unit.*

10.8.3. *At the end of each Unit of study, Students will be awarded a grade which reflects the total mark obtained in accordance to the table provided below:*

Unit Award Grades MQF/EQF 1 - 6	
% Mark	Award Grades
90 - 100	A*
80 - 89	A
70 - 79	B
60 - 69	C
50 - 59	D
< 50	Unclassified (U)
40 - 49	<i>Compensatory Pass (Refer to section 12.2 for applicable terms and conditions)</i>

10.8.4. *In the case of part-time accredited courses, the following grading scheme applies: In the case of all part-time accredited courses (Awards only), the following grading scheme applies:*

Unit Award Grades – Part-Time Awards	
% Mark	Classification
80% – 100%	Distinction
61% – 79%	Merit
45% – 60%	Pass

Document Title	PROGRAMME REGULATIONS MQF/EQF LEVEL 4			Page 22 of 34	
Document Number	004	Document Revision	J	Date Issued	23.09.2022

10.8.5. If Students fail to submit one of the assessments set, they may attempt the remaining assessments (for the respective Unit). However, the maximum mark that may be achieved for the respective Unit is 59 % (Grade D).

10.9. Unsuccessful Completion of Coursework (Synoptic Assessment)

10.9.1. Synoptic Assessment and Eligibility

10.9.1.1. Following the submission of all the unit coursework and its subsequent assessment, Students are assigned marks for each task. In cases when the overall minimum of 50 % is not achieved, the Student is considered to have failed the Unit but shall however be eligible to sit / attempt a synoptic assessment of that failed unit on one occasion only.

10.9.1.2. Students who attempt none of the assessment(s) for a specific unit shall not be eligible for the synoptic, unless otherwise indicated in the specific unit of study, for example in cases where the student is required to attempt all assignments for the unit of study with a minimum pass mark for the assignment (s). Moreover, in order to be allowed to sit for any Synoptic assessments, students need to fulfil the attendance regulations listed in par 9.3 (namely 9.3.2) or as indicated in the specific assessment strategy of the unit of study

10.9.1.3. Students will be notified by their respective Institute that they are eligible to sit for the synoptic assessment of that particular unit. Students who opt to formally appeal the result of an assessment will not have the result of that assessment changed until successful hearing of the appeal. For this reason, Students concerned are to continue with all ongoing activities (such as synoptic sits) under the assumption that their assessment result may not change. If in the event of a successful appeal the initial assessment result has been amended, the Students may seek to declare the subsequent synoptic results null and void and retain the earlier result. This may happen if an appeal takes place at a later date than the synoptic assessment.

10.9.1.4. The following sub regulations exist for the synoptic assessment:

The synoptic assessment:

- a) is normally held during the same academic period, but not later than the September following that period;*
- b) covers a cross-section all the Learning Outcomes for the respective unit in question;*
- c) may also include practical tasks;*
- d) can be held as a time constrained assessment or through other assessment tools.*

Document Title	PROGRAMME REGULATIONS MQF/EQF LEVEL 4			Page 23 of 34	
Document Number	004	Document Revision	J	Date Issued	23.09.2022

The **maximum mark** that may be obtained in any synoptic assessment is **59% (Grade D)**.

If a Student does not achieve at least 50% in the synoptic assessment of the failed unit(s), the Student is considered to have failed the programme of study.

10.9.1.5. *Students who fail a unit or a number of units after the synoptic assessment may be considered by the Board of Studies to repeat the outstanding units, with attendance, with the following cohort, assuming space on the course permitting and subject to same unit being delivered in the following cohort. In this case, the Student is still eligible for a synoptic assessment under the same conditions as above (with the new cohort).*

10.9.1.6. *The Board of Studies cannot guarantee that any of the units delivered during any one cohort period will feature again in the following cohort's programme or any subsequent programmes.*

10.9.1.7. *If a Student fails one or a limited number of units and the programme of study is no longer in existence, the Registrar in liaison with the Curriculum Department and the Institute, may consider mapping the Students' successful units onto a similar programme of study, and allowing the Student to follow the unmapped units of this new programme in order to complete their studies. The Student, if successful would then graduate under the new programme of study.*

10.10. Assessment of Group Work

10.10.1. *One or more of the learning outcomes of a Unit may be assessed through group work through assessment criteria. This shall be clearly stated in the Unit coursework front page.*

10.10.2. *Group coursework can help Students develop competencies in:*

- a) *Collaboration / teamwork;*
- b) *Communication / listening;*
- c) *Conflict management;*
- d) *Leadership / project management;*
- e) *Articulating and defending a position;*
- f) *Negotiating ability;*
- g) *Problem-solving.*

10.10.3. *Students need to be aware that group coursework presents a number of challenges, namely:*

- a) *Logistical challenges;*
- b) *Time coordination;*
- c) *Lack of time to form strong group bonds;*
- d) *Personality conflicts among group members;*
- e) *Students who are happy to leave the work to others;*
- f) *Students who want to take over the project themselves.*

Document Title	PROGRAMME REGULATIONS MQF/EQF LEVEL 4			Page 24 of 34	
Document Number	004	Document Revision	J	Date Issued	23.09.2022

- 10.10.4. *The way group coursework is structured shall make it possible for Lecturers to identify each individual's contribution in the work submitted for assessment.*
- 10.10.5. *A clear declaration stating the Students own claims to their contributions shall accompany the final work submitted. This shall be countersigned by all the co-authors to indicate that they are all in agreement with each candidate's claim. The assessor/s may still wish to verify claims through a viva voce and/or any supporting evidence.*
- 10.10.6. *If any form of credit will additionally be allocated for process (such as how well the team collaborated) this shall be stated in the coursework front page.*
- 10.10.7. *The instructions to the Students shall clearly explain:*
- How groups will be formed, e.g., self-selecting or pre-assigned;*
 - The strategies that will be applied if Students drop out of groups (i.e. withdraw from the Unit);*
 - The minimum / maximum size of the group if groups are to be self-selecting;*
 - What groups should do if a member is not contributing;*
 - How groups will be managed, namely whether this will be Student led or if a group will be assigned a tutor in which case the tutor must be clearly identified.*
- 10.10.8. *Irrespective of the nature of the work expected, individual contributions will be assessed separately and can be awarded different grades. Students will be held individually accountable for their contribution to the project.*
- 10.10.9. *Feedback (formative and summative) shall be made available to all group members.*
- 10.10.10. *For the purposes of transparency in assessment, when a Student/s in the group fail to obtain a pass mark for their own contribution, they shall be given a resit opportunity in line with existing regulations regarding resits. This shall be discussed openly in the presence of all team members and the additional work expected unequivocally agreed upon.*
- 10.11. Request for Consideration of Extenuating Circumstances for Extension of the Submission Deadline of Take-Home Assignment (THA).**
- 10.11.1. *THA Coursework submitted after the closing date shall not be assessed (no marks shall be allocated).*
- 10.11.2. *Students may request an extension in advance of the original THA coursework submission date only if the circumstances are deemed to be genuine and extenuating. In such a case, Students are required to fill in the Form referred to below requesting consideration of such circumstances.*

Document Title	PROGRAMME REGULATIONS MQF/EQF LEVEL 4			Page 25 of 34

10.11.3. *The filled-in Form (refer to Document 106) is to be submitted for consideration to the Senior Administrative Officer at least three (3) College days prior to the submission date deadline.*

10.11.4. *An extension shall only be granted if a Student can provide credible evidence of an extenuating circumstance which is considered as valid by the Institute Director. An extenuating circumstance shall consist of the recording of one or more college-recognized, personal difficulties, which is/are supported by acceptable evidence. It is the responsibility of the Student to provide the necessary evidence to support such claims.*

10.11.5. *If the coursework needs to be submitted physically, the original Form is to be attached to the coursework and forwarded to the Institute Management. A copy of the coursework Extension Application Form will be kept by the Senior Administrative Officer in the Students personal file.*

10.11.6. *If a request for consideration of extenuating circumstance is made after the submission date, the request shall only be considered if the Students can prove that they were unable or, for valid reasons, unwilling, to disclose such information before.*

10.11.7. *If an extension is agreed:*

10.11.7.1. *The Student shall normally be allowed an extension of the deadline for submission by not more than three (3) weeks. If this is not sufficient because of the circumstances, the Student shall be allowed to submit the coursework at the first practicable opportunity but not later than the end of the current academic year.*

10.11.7.2. *The coursework will be assessed and marked without any sanctions/penalties.*

10.11.8. *When the reason brought forward is not considered sufficient to justify the request for extension of the submission date (and the assessment is not subsequently submitted by the submission date), the Student shall be deemed to have failed the assessment and shall receive a mark of 0.*

10.12. Absence from Time Constrained Assessment (TCA)

10.12.1. *In the case of absence from a TCA, where the student does not have any valid extenuating circumstances for missing the TCA, the student shall not be given any further opportunity to sit for the TCA. If the student fails to obtain a pass grade (50% or over) for the unit in question, the student shall have the opportunity to sit for the synoptic of that unit, with the final grade capped at a pass.*

In the case of absence from a TCA, where the student provides evidence of valid extenuating circumstances for missing the TCA, the student shall be allowed to sit for just the part of the

Document Title	PROGRAMME REGULATIONS MQF/EQF LEVEL 4			Page 26 of 34	
Document Number	004	Document Revision	J	Date Issued	23.09.2022

synoptic that relates to the Learning Outcome/s or Grading Criteria of that missed TCA. This may be carried out irrespective of whether the student would have achieved a pass grade or not in the remaining assessments for the unit concerned. The marks for the remaining assessments of that unit will be carried forward and added to this partial synoptic mark to provide a final grade that shall not be capped, provided that Student attempts the synoptic. If the student fails to obtain a final pass mark in the unit concerned, section 12.2 'Compensatory Pass' applies

10.12.2. *In highly exceptional cases where the student would have missed a number of TCA's due to valid extenuating circumstances, and failed in more than one unit following partial synoptic sits, the student's case shall be referred to the Institute Board of Studies (BOS) for moderation. The BOS shall review these exceptional situations on a case-by-case basis, evaluating the student's general performance, attendance records and critical nature of the units, and shall provide a final direction to the student that may include further Synoptic or additional compensatory passes for these marginally failed units. Refer to Appendix 1*

10.12.3. *Note re use of Doc 106 Request For Consideration of Extenuating Circumstance Leading to Absence From Assessments Form*

Students who due to extenuating circumstances (including illness) absent themselves from a Time Constrained Assignment (TCA) are required to fill-in the Form referred to below.

The filled-in and stamped form (Doc 106) is to be submitted together with the NI Certificate (blue Form) or in the case of absence due to Covid-19, proof of a positive Covid-19 Swab test to the Institute Administration on the first day as soon as student returns to the College.

Students are advised to keep a copy of all documents submitted to the Institute administration.

10.13. Assessment Feedback

10.13.1. *Individual feedback by the Lecturer is given to Students:*

- *on the College's official "Assessment and IV Front Sheet" in the case of assessments submitted in hard copy format;*
- *via Moodle in the case of assessments submitted electronically in soft copy format*

10.13.2. *The Lecturer's feedback shall, as a minimum, state what has been achieved or not achieved and possible areas for development and/or improvement.*

10.13.3. *Assessed work (which was submitted for assessment in printed/hard copy format) shall normally be returned to the Students following the completion of the study unit/s. Irrespective*

of when assessed work is returned to the Students to keep, students will still be provided with written and verbal feedback as follows:

- *written feedback shall be provided to students on the assessment front sheet or via Moodle depending on the format in which the assessed work was submitted (par 10.2.5 refers)*
- *verbal feedback shall be given during an individual or group/class session immediately after the internal verification of assessment decisions is carried out (refer to section 10.15 below)*

10.14. Academic Appeals

10.14.1. *Upon being notified of the result of an assessment, Students who wishes to contest the assessment decision is encouraged to seek an appointment with the Lecturer in charge, in an endeavour to resolve the matter satisfactorily and amicably. Such Students shall be entitled to see and discuss the marked exam script or assessed work with the Lecturer concerned.*

10.14.2. *If, following the meeting with the assessor, the Students are still not satisfied with the outcome; they may wish to lodge a formal appeal against the assessment decision. For such purposes, Students shall fill in the Assessment Appeals Form referenced to below and submit it to the Institute Director within 10 college days from the first time of being notified of the result of the assessment.*

10.15. Record of Work

10.15.1. *For all written coursework, it is the Students' responsibility to make and retain a copy of their work before submission. No claims shall be accepted or considered if the Students' copy of the written work is not made available in the event of a request arising for any reason and/or necessary verifications.*

10.15.2. *In those instances, where practical work is to be submitted for assessment, Students shall keep an appropriate photographic record of the work they submit for assessment. No claims shall be accepted or considered if the Students' photographic records are not made available in the event of a request arising for any reason and/or for necessary verifications.*

10.16. Students Work

10.16.1. *MCAST holds the right to physically keep and/or exhibit work produced by Students for formal assessment such as any written work, drawings, graphic design products, engineering models, sculpture, maquettes, etc.) up to one year after the end of the course during which such material was produced.*

10.16.2. *The College shall have discretionary powers to determine when one or more such materials may be physically returned to the Student*

10.17. Internal Verification

10.17.1. *All coursework tasks and a sample of Student works shall be verified by the Internal Verifier (IV). The latter shall ensure that all established programme requirements and documentation are in place and in line with approved practice. Internal Verifiers shall also ensure that assessors shall be able to make sound professional judgements.*

10.17.2. *The Internal Verifier shall also ensure that the assessor's decisions are accurate, fair and consistent and the written feedback is supportive and encouraging further achievement and improvement.*

recognised vocational or professional qualification or award. Training programmes at these levels may still take the form of Apprenticeships as described in the Work-based Learning Act.

11.4. Paid or unpaid work-placement for MQF Level 1 to 4 courses of studies: *Work placements are schemes in which learners are engaged with a registered sponsor for a limited number of hours to gain basic work experience and skills leading to a vocational qualification or an award. The learner may or may not receive remuneration for the work-based learning portion of the work-placement. Training programmes at these levels may still take the form of Apprenticeships as described in the Work-based Learning Act.*

11.5. *The normal prerequisite for taking up a placement at work locally or abroad, for example, in connection with a mobility action, is the successful completion of all modules related to that placement taken in the previous stages.*

11.6. *All hours of Work-Based Learning are mandatory. Any unauthorized absence for such hours will result in the determination of sanctions as applicable (refer to par 9.3)*

12.1. Progression and Continuation

12.1.1. To progress from Level 3 to Level 4 students need to obtain the full 60 credits. Level 4 students gain credits by passing set study units or modules in order to achieve the qualification.

12.1.5. Para 12.1.4 (c) is subject to the conditions that:

- b) The student has attended more than 70% of the unit contact hours
- c) The Unit does not have more than 12 ECTS workload
- d) the unit is not a 'Vocational Competence' (accredited work based learning) unit, where applicable.
- e) The student is required to formally inform the Institute Director and Registrar of the decision via the 'Request for Attempting Repeat Unit Without Attendance Form' (Doc 266). Approval of this request is subject to discretion by the Institute Director on the basis of the nature of the unit, the nature of the unit assessment and the autonomy of the student;

12.1.6. Students progressing from Level 4 to Level 5 or Level 6 need to achieve all credits assigned to the Level 4 programme (120 credits).

12.1.7. Refer also to section below 'Compensatory Pass'.

12.2. Compensatory Pass

12.2.1. A Student is eligible for a Compensatory Pass if the following conditions are met:

- The Student has obtained between 40 and 49 % in a unit* of six ECTS' or less;
- The Student has fulfilled the attendance regulations listed in par 9.3 (above),
- The Student has completed (if applicable) the Vocational Competences Unit Requirements;

Document Title	PROGRAMME REGULATIONS MQF/EQF LEVEL 4			Page 31 of 34

- *The Student is in the final year of their course or at an exit point.*
- *In the case of an Award:*
 - *the Unit being claimed for a Compensatory Pass does not exceed 10% of the total ECVETS workload. For example for an Award of 48 ECVET, the unit being claimed for a Compensatory Pass cannot exceed 4.8 ECVET, hence 5 ECVETS rounded up.*

**Note: Vocational Competences Units (i.e. accredited Work Based Learning / Apprenticeship) are not eligible for a compensatory pass. However, students following programmes that include an Accredited Work Based Learning (AWBL) component are required to pass the AWBL unit in order to be eligible for consideration of a Compensatory Pass.*

12.2.2. The best mark obtained (i.e. sum of marks from ongoing assessment OR synoptic mark from current or previous years in the case of repeating students) is to be taken into consideration when determining student's eligibility for a compensatory pass.

12.2.3. Students who do not qualify for a CP are to discuss their options with their respective Institute Director/ Deputy Director.

12.2.4. All claims by students for consideration of a compensatory pass are to be submitted by the student on the document indicated below and signed by both the student and the Institute Director.

12.3. Certification

12.3.1. The total mark for the programme is calculated by summing up all the marks obtained in (all) the respective Units.

The final percentage mark achieved by the Student for the programme of study is worked out by calculating the overall average mark achieved in all the units of the programme of study.

For a Student to successfully complete the programme of study and hence be eligible for qualification, s/he must achieve a minimum overall mark of 50% for each unit within the programme of study except for the unit that is awarded as a Compensatory Pass – (refer to paragraph 12.2)

Candidates who successfully complete the full requirements of a programme of study will be awarded the level appropriate full MCAST certification.

Assessment grades/marks obtained from external accredited institutions by students who participate in exchange programmes (such as ERASMUS; etc.) shall be included in the Student's transcript showing that the grades/marks were obtained in transfer. Any such units will therefore not be considered in the overall classification of the qualification. In such cases, when working out the classification of a student, the formula used to determine classification shall be amended to take account of the 'missing' marks as fairly as possible.

This is done in the best interest of the student in order to avoid positive or negative discrimination which can possibly arise due to varying marking practices

12.3.2. Candidates who fail to complete the full requirements of a programme of study shall be issued a transcript of their academic record.

12.4 Programme Duration

12.4.1. The duration of a programme of study shall not exceed four years from date of commencement to date of conclusion.

In the event that a student has suspended/interrupted his studies and requests to resume with a timing that exceeds the above, the student shall require a confirmation from the Office of the Registrar that there is an adequate correlation between units already achieved by the student and the remaining units that make up the programme.

If this mapping exercise does not show an adequate correlation, the Registrar may opt to guide the student through an RPL process that will allow them to use the programme components obtained so far to enter, at a suitable level, into a new, comparable programme.

13. STUDENT SUPPORT SERVICES

13.1. Students with Disabilities, Medical Conditions and/or Learning Difficulties

13.1.1. Access arrangements are coordinated by the Inclusive Education Unit (IEU) and Students are thus required to formally apply for such an entitlement. The application must be accompanied by all the required supporting evidence.

13.1.2. Failure to report known medical/psychological conditions or any related changes to the IEU is considered to be an act of negligence which may work against the Student and may result in access arrangements and entitlements not being granted.

13.1.3. The Student, parent/s or guardian (if the Student is under 16 years of age) are additionally responsible for keeping the College informed of all medical/psychological conditions or any related changes and for providing the proper medical/psychological documentation updates, specifically stating the ability and/or inability of the Student to continue with their vocational training.
