- 4.3 **Assignments / Coursework:** Tasks or exercises performed by the Student as part of a course of study. The Student's work shall be expected to fulfil the learning outcomes of a study unit. Assignments may require to be done away from the institute (at home) within a particular timeframe (which can be anything from a few days to a number of weeks) and are to be handed in by a pre-established deadline which is normally within the semester in which the unit is being delivered.
- 4.4 **Core Units** are compulsory units which must be passed in order to complete a qualification.
- 4.5 **Col:** The MCAST Council of Institutes.
- 4.6 **Interruption of Studies:** An authorised, temporary break from a programme of study usually due to extenuating circumstances.

- 4.12 **Study Unit or Module:** A study unit or module is a self-contained study component delivered as part of, or in fulfilment of a qualification. An MCAST programme of study is normally made up of a number of study units, some of which are compulsory while others might be optional.
- 4.13 **Synoptic Assessment:** An opportunity for Students to re-attempt a unit in which they have failed to achieve 50 % of the overall mark for that particular unit. The assessment covers a cross-section from all the Learning Outcomes for the respective unit. The assessment may include time-constrained examinations.
- 4.14 **Time-Constrained Assignments (TCAs):** Assignments in the form of an examination, done in class, under supervision. TCAs may be carried out during the delivery period of a unit, or at the end of a semester in which a unit is completed. - a) All kinds of bullying;*
- b) Victimisation;*
- c) Harassment;*
- d) Unfair discrimination based on gender, religion, sexual orientation, age, race and disability;*
- e) Aggression, including physical and psychological.*

5.2 Student Academic Conduct

5.2.1 *Students are expected to carry with them their MCAST Student Identity Card at all times. Students may be barred access to various MCAST facilities, functions and activities, and may be asked to leave the campus if they fail to present their Student Identity Card upon demand.*

5.2.2 *The Student is expected to comply with MCAST regulations and behave respectfully towards all members of the College community and visitors. When MCAST rules and regulations are contravened, the College shall be constrained to implement measures to rectify matters, ensure conformity and safeguard the interest of the community.*

5.2.3 *The Student is also required to act with honesty and integrity in fulfilling requirements in relation to learning and assessment.*

5.2.4 *Continuous assessment of work typically warrants continuous effort and application on the part of the Student. If such work is left to accumulate and/or overlap with the delivery of new units and further coursework, the Student will find that he/she is unable to complete the work expected of him/her by the prescribed deadlines. This may have a negative impact on his/her performance.*

5.2.5 *Additional information regarding academic misconduct, disciplinary procedures, conduct during assessment/examinations can be found in the procedures referenced below. The Student is encouraged to read through these procedures at the beginning of the academic year.*

5.3 Drugs and Alcohol Policy

5.3.1 *Drug and alcohol misuse affects performance, conduct and relationships both at College and at society at large. Individuals who develop drug and alcohol-related problems cause harm to themselves and to others.*

MCAST must ensure the health, safety and welfare of all individuals, including employees, students, visitors and contractors who use the premises.

MCAST considers that it has a responsibility to promote good health, by raising the awareness of Students and employees as to the risks of drug and alcohol misuse and by offering to counsel for those who have a drug or alcohol problem.

MCAST policy on the misuse of drugs is to comply with the laws of Malta.

The College's Procedure related to illegal substances is available within the document referenced to below.

Reference Documents;

Doc 212 : Illegal Substance Procedure

5.4 Reporting of Grievances

5.4.1 *Some grievances may result from misunderstandings, while some others are genuine cases of unfair treatment or misconduct.*

Before a Student resorts to a formal grievance, he/she is encouraged first to seek to resolve the matter informally. In many cases, a fair dialogue between parties involved may lead to an amicable solution, without the need to go any further in settling issues.

MCAST acknowledges the fact that a Student may wish to resolve his/her grievance informally, thus achieving a fair solution without the need of going for the formal procedure. In case a Student feels dissatisfied with the outcome of the informal handling of the grievance procedure, then he/she is free to make use of the formal procedure as regulated below.

10 CONTINUOUS ASSESSMENT

10.1 Continuous Assessment, Learning Outcomes, Grading Criteria and Assessment Tasks

- 10.1.1 *All Units of study are assessed throughout the academic year through continuous assessment using a variety of assessment tools.*
- 10.1.2 *Coursework tasks are exclusively based on the Learning Outcomes and Grading Criteria as prescribed in the course specification. No alterations, deductions or additions to the approved unit Learning Outcomes shall be allowed. The Learning Outcomes and Grading Criteria are communicated to the Student via the coursework documentation.*
- 10.1.3 *The method of assessment shall reflect the Level, credit points (ECTS/ECVET) and the schedule of time-tabled/non-timetabled hours of learning of each study unit.*

Document Title	PROGRAMME REGULATIONS (MQF/ EQF LV 5 – 7)			Page 14 of 28
Document Number	005	Document Revision	K	Date Issued 05/10/2020

- 10.1.4 *A variety of assessment instruments, not solely TCA, are used to gather and interpret evidence of Student competence toward pre-established grading criteria that are aligned to the learning outcomes of each unit of the programme of study, The distribution of marks and assessment mode depends on the nature and objectives of the unit in question.*

Additional to the preceding, the Institute Assessment Board may require a candidate to sit for a viva voce session in addition to taking those assessments prescribed in the programme specifications. Reasons for such action shall be communicated to the Student/s. Viva voce examinations shall be conducted by more than one examiner and a record of the examination and examination outcomes kept. It shall be made clear to the Student whether the viva voce is being carried out solely to ascertain the originality and ownership of the Students' work, or if it carries marks as part of the assessment.

- 10.1.5 *Units are to be designed with a holistic overview of the whole programme of studies to ensure that a balance between the different domains is achieved according to the guidelines provided in the NCFHE Referencing Report and as approved by the Curriculum Department.*

In each unit, all domains of Bloom's Taxonomy (knowledge, understanding, application, analysis, synthesis and evaluation, and creation) shall be addressed in the specified grading criteria. The weighting for each domain (and the marks allocated per criteria), shall be determined by the nature of the unit and addressed at grading criteria design stage e.g. a practical unit will most likely include a higher number of application and creation criteria compared to theoretical units. Similarly assessment for units/ programmes at higher levels should move more towards synthesis and Evaluation rather than Knowledge and Understanding.

Units should ideally have between 10 and 14 grading criteria.

- 10.1.6 The grading criteria and mechanisms for assessment of a Masters programme shall be defined according to the nature and content of the programme.
- 10.1.7 *Grading criteria are assessed through a number of tasks, each task being assigned a number of marks. The number of grading criteria is included in the respective Programme Specification. Rubrics and/or model answers should be utilized to facilitate an understanding of the grading for a particular assignment.*
- 10.1.8 *Coursework shall normally be completed during the semester in which the Unit is delivered.*
- 10.1.9 *Time-constrained assignments may be held between 8 am and 8 pm during the delivery period of a Unit, or at the end of the semester in which the Unit is completed. The dates are notified and published on the Institute notice boards or through other means of communication. Students are to be responsible enough to be available for allocated TCA time schedules.*

- 10.5.2 *Students are advised to fully understand the implications when deadlines for the presentation of work are not respected.*
- 10.5.3 *As a general rule, all home-based assessment material shall be electronically (where applicable via Unicheck) and physically handed in by 2 pm on the due date unless otherwise stipulated by the Institute. Students are advised to inform themselves on the official drop-off points at the Institutes for the physical copy of the coursework.*
- 10.5.4 *The physical copy of the Coursework is to be handed in together with the 'Coursework Front Sheet / Feedback Form'. Coursework which is handed in without this form shall not normally be accepted and/or assessed.*
- 10.5.5 *Students who are unable to present the physical copy of the home-based coursework on the submission date due to a valid reason will be expected to:*
- 1) *Inform the Institute administration by phone on the morning of the submission date and;*
 - 2) *Submit the assignment together with the relevant evidence (such as Medical Certificates if any) immediately upon their return to the institute.*
- 10.5.6 *In cases of prolonged illness or similar extenuating circumstance, or in cases where Students are aware in advance that they will miss the deadline for a valid reason, they are to inform the Institute Director prior to the submission date and request an extension (refer to section 10.9 'Request for Consideration of Extenuating or the relevant Deputy Director are to inform the lecturer/s concerned accordingly.*
- 10.5.7 *Late work, for which the student did not submit a request through the extenuating circumstances process, shall not be accepted and shall not be assessed. In such cases, Students would have forfeited the respective marks and the assessor's feedback.*

10.6 Successful Completion of Coursework

- 10.6.1 *For each coursework assigned to the Student, the assessor shall provide feedback on the Student's performance as well as the total marks achieved in the coursework.*
- 10.6.2 *The total mark for each unit is calculated by summing up all the marks obtained in (all) the respective assessments set for each unit.*
- 10.6.3 *At the end of each Unit of study, Students will be awarded a grade which reflects the total mark obtained in accordance with the table provided below:*

Document Title	PROGRAMME REGULATIONS (MQF/ EQF LV 5 – 7)			Page 17 of 28
Document Number	005	Document Revision	K	Date Issued 05/10/2020

% Mark	Award Grades
90 - 100	A*
80 - 89	A
70 - 79	B
60 - 69	C
50 - 59	D
< 50	Unclassified (U)
40 - 49	<i>Compensatory Pass (Refer to section 12.2 for applicable terms and conditions)</i>

10.6.4 *If a Student fails to submit one of the assessments set, s/he may attempt the remaining assessments (for the respective Unit). However, the maximum mark that may be achieved for the respective Unit is 59 % (Grade D).*

10.7 Unsuccessful Completion of Coursework (Synoptic Assessment)

10.7.1 Synoptic Assessment

10.7.1.1 *Following the submission of all the unit coursework and its subsequent assessment, Students are assigned marks for each task. In cases when the overall minimum of 50 % is not achieved, the Student is considered to have failed the Unit but shall, however, be eligible to sit/attempt a synoptic assessment of that failed unit on one occasion only.*

10.7.1.2 *The Student will be notified that she/he is eligible to sit for the synoptic assessment of that particular unit. Students who opt to formally appeal the result of an assessment will not have the result of that assessment changed until the successful hearing of the appeal. For this reason, the Student concerned is to continue with all ongoing activities (such as synoptic sits) under the assumption that his/her assessment result may not change. If in the event of a successful appeal the initial assessment result has been amended, the Student may seek to declare the subsequent synoptic results null and void and retain the earlier result. This may happen if an appeal takes place at a later date than the synoptic assessment.*

10.7.1.3 *The following sub-regulations exist for the synoptic assessment: The synoptic assessment:*

- a) is normally held during the same academic period, but not later than the September following that period;*
- b) covers a cross-section of the unit from all the Learning Outcomes for the respective unit in question;*
- c) may also include practical tasks;*
- d) can be held as a time constrained assessment or through other assessment tools.*

The maximum mark that may be obtained in any synoptic assessment is 59% (Grade D).

If a Student does not achieve at least 50% in the synoptic assessment of the failed unit(s), the Student is considered to have failed the programme of study.

Document Title	PROGRAMME REGULATIONS (MQF/ EQF LV 5 – 7)			Page 18 of 28	
Document Number	005	Document Revision	K	Date Issued	05/10/2020

- 10.7.1.4 *Students who fail a unit or a number of units after the synoptic assessment may be considered by the Board of Studies to repeat the outstanding units, with attendance, with the following cohort, assuming space on the course permitting and subject to the same unit being delivered in the following cohort. In this case, the Student is still eligible for a synoptic assessment under the same conditions as above (with the new cohort).*
- 10.7.1.5 *The Board of Studies cannot guarantee that any of the units delivered during any one cohort period will feature again in the following cohort's programme or any subsequent programmes.*
- 10.7.1.6 *If a Student fails one or a limited number of units, and the programme of study is no longer in existence, the Registrar in liaison with the Curriculum Department and the Institute, may consider mapping the Students' successful units onto a similar programme of study, and allowing the Student to follow the unmapped units of this new programme in order to complete his/her studies. The Student, if successful would then graduate under the new programme of study.*

10.8 Assessment of Group Work

- 10.8.1 *One or more of the learning outcomes of a Unit may be assessed through group work through assessment criteria. This shall be clearly stated in the Unit coursework front page.*

 - c) Lack of time to form strong group bonds*
 - d) Personality conflicts among group members*
 - e) Students who are happy to leave the work to others*
 - f) Students who want to take over the project themselves.*
- 10.8.4 *The way group coursework is structured shall make it possible for Lecturers to identify each individual's contribution in work submitted for assessment.*
- 10.8.5 *A clear declaration stating the Students own claims to their contributions shall accompany the final work submitted. This shall be countersigned by all the co-authors to indicate that they are all in agreement with each candidate's claim. The assessor/s may still wish to verify claims through a viva voce and/or any supporting evidence.*
- 10.8.6 *If any form of credit will additionally be allocated for process (such as how well the team collaborated) this shall be stated in the coursework front page.*

Document Title	PROGRAMME REGULATIONS (MQF/ EQF LV 5 – 7)			Page 19 of 28

10.8.9 *Feedback (formative and summative) shall be made available to all group members.*

10.8.10 *For the purposes of transparency in assessment, when a Student/s in the group fail to obtain a pass mark for their own contribution, they shall be given a resit opportunity in line with existing regulations regarding resits. This shall be discussed openly in the presence of all team members and the additional work expected unequivocally agreed upon.*

10.9 Request for Consideration of Extenuating Circumstances for Extension of the Submission Deadline of Home Based Assignment

10.9.1 *Coursework submitted after the closing date shall not be assessed (no marks shall be allocated).*

10.9.2 *Students may request an extension in advance of the original coursework submission date only if the circumstances are deemed to be genuine and extenuating. In such a case, Students are required to fill in the Form referred to below-requesting consideration of such circumstances.*

10.9.3 *The filled-in Form (refer to Document 104) is to be submitted for consideration to the Senior Administrative Officer at least three (3) College days prior to the submission date deadline.*

10.9.4 *It is the responsibility of the Student to provide the necessary evidence to support such claims.*

10.9.5 *An extension shall only be granted if a Student can provide credible evidence of an extenuating circumstance which is considered as valid by the Director. An extenuating circumstance shall consist of the recording of one or more college-recognized, personal difficulties, which is/are supported by acceptable evidence.*

10.9.6 *The original Form is to be attached to the coursework when it is submitted. A copy of the coursework Extension Application Form will be kept by the Senior Administrative Officer in the Students personal file.*

10.9.7 *If a request for consideration of extenuating circumstance is made after the submission date, the request shall only be considered if the Student can prove that he/she was unable or, for valid reasons, unwilling, to disclose such information before.*

10.9.8 *If an extension is agreed, the Student shall be allowed an extension of the deadline for submission by not more than three (3) weeks. If this is not sufficient because of the circumstances, the Student shall be allowed to submit the coursework at the first practicable opportunity but not later than the end of the current academic year.*

10.9.9 *The coursework will be assessed and marked without any sanctions/penalties.*

10.9.10 *When the reason brought forward is not considered sufficient to justify the request for an extension of the submission date (and the assessment is not subsequently submitted by the submission date), the Student shall be deemed to have failed the assessment and shall receive a mark of 0.*

10.10 Absence From Time Constrained Assessment (TCA)

10.10.1 *In the case of absence from a TCA, where the student does not have any valid extenuating circumstances for missing the TCA, the student shall not be given any further opportunity to sit for the TCA. If the student fails to obtain a pass grade (50% or over) for the unit in question, the student shall have the opportunity to sit for the synoptic of that unit, with the final grade capped at a pass.*

10.10.2 *In the case of absence from a TCA, where the student provides evidence of valid extenuating circumstances for missing the TCA, the student shall be allowed to sit for just the part of the synoptic that relates to the Learning Outcome/s or Grading Criteria of that missed TCA. This may be carried out irrespective of whether the student would have achieved a pass grade or not in the remaining assessments for the unit concerned. The marks for the remaining assessments of that unit will be carried forward and added to this partial synoptic mark to provide a final grade that shall not be capped, provided that Student attempts the synoptic. If the student fails to obtain a final pass grade in the unit concerned and this is the only failed unit over the student's entire programme, and with a grade exceeding 40%, MCAST shall provide the student with a compensatory pass for that particular unit.*

10.10.3 *In highly exceptional cases where the student would have missed a number of TCA's due to valid extenuating circumstances, and failed in more than one unit following partial synoptic sits, the student's case shall be referred to the Institute Board of Studies (BOS) for moderation. The BOS shall review these exceptional situations on a case-by-case basis, evaluating the student's general performance, attendance records and critical nature of the units, and shall provide a final direction to the student that may include further Synoptics or additional compensatory passes for these marginally failed units.*

Refer to Appendix 1

10.10.4 Note re use of Doc 106 'Request for Consideration of Extenuating Circumstances'

10.13.1 *For all written coursework, it is the Student's responsibility to make and retain a copy of their work before submission. No claims shall be accepted or considered if the Student's copy of the written work is not made available in the event of a request arising for any reason whatsoever or necessary verifications.*

10.13.2 *In those instances where practical work is to be submitted for assessment, Students shall keep an appropriate photographic record of the work they submit for assessment. No claims shall be accepted or considered if the Student's photographic records are not made available in the event of a request arising for any reason whatsoever or necessary verifications.*

10.14 Students Work

10.14.1 *MCAST holds the right to physically keep and/or exhibit work produced by the Students for formal assessment such as any written work, drawings, graphic design products, engineering models, sculpture, maquettes, etc.) up to one year after the end of the course during which such material was produced. .*

11 WORK-BASED LEARNING

11.1 *An apprenticeship is a combination of both college-based learning and industry-based training in preparation for the Student's career choice, giving the Student the opportunity to develop specific technical competences through real work experience.*

11.2 *An apprenticeship consists of both on-the-job and off-the-job training for a specific period of time. The programmes begin at the Institute, where the apprentice acquires the underpinning knowledge needed in the chosen occupation. This will be followed by the actual work training at an employer's establishment for the acquisition of hands-on practice.*

11.3 *The normal prerequisite for taking up a placement at work locally or abroad, say, in connection with a mobility action, is the successful completion of all modules related to that placement taken in the previous stages.*

12 PROGRESSION, CONTINUATION, COMPENSATORY PASS, CLASSIFICATION OF DEGREE, CERTIFICATION AND DURATION OF PROGRAMME

12.1 Progression from Level 5 to Level 6

12.1.1 Past HND and HD Students who had concluded their studies would have the facility to undergo an Accreditation of Prior Learning (APL) exercise, to assess their suitability to proceed to a relevant Level 6 programme.

12.1.2 Students gain credits by passing set study units or modules in order to achieve the qualification.

12.1.3 Progression within the programme of study from one year to another shall be automatic for Students who have not failed:

- a) in more than 2 units in a particular year and;
- b) who will not be carrying forward a total of 3 failed units in all.

An exception to this shall be in cases where core units have been identified that are fundamental to a Student's progression, for which the Student cannot progress before successfully completing these units.

12.1.4 In the case of failed unit / units, the Students will have the opportunity to:

- a) Either repeat the failed unit/s with attendance at the end of the third (or fourth) year of the programme or repeat an academic year (with attendance) or
- b) Repeat without attendance (only) one of the failed units during the (next) academic year.

12.1.5 Para 12.1.4 (b) is subject to the conditions that:

- a) The student has achieved a minimum of 80% attendance in the unit chosen (by the student) to be repeated without attendance (applicable from academic year 2020/21);
- b) The Unit does not have more than 12 ECTS workload and is not a 'Vocational Competence' (accredited work based learning) unit, where applicable.
- c) The student is required to formally inform the Institute Director and Registrar of the decision via the 'Request For Attempting Repeat Unit Without Attendance Form' (Doc 266). Approval of this request is subject to discretion by the Institute Director on the basis of nature of the unit, the nature of the unit assessment and the autonomy of the student;
- d) The Director may set specific conditions to the student depending on the nature of the unit delivery and assessment mode;
- e) The Student is obliged to attempt all assessments of the unit and may be requested to attend any specific lectures or practical as instructed by the

lecturer.

- f) The Student re-enrolls (for the unit that is to be repeated without attendance).

The above conditions would be agreed upon by the student with the Director of Institute (or Deputy Director of Institute) and recorded in the appropriate Form (Doc 266).

- 12.1.6 Students will have the option of exiting and receiving certification for the completion of their Level 5 programme if they do not wish to continue into Level 6. Students completing Level 5 and exiting the degree programme shall be allowed to re-join Level 6 at a later date, provided that the Level 6 programme still exists.

12.2 Compensatory Pass

- 12.2.1 *Students who are at the final year of their course and have obtained between 40 and 49 % in only one (1) * of the 6-credit units, will be offered a compensatory pass. Only one compensatory pass is allowed per qualification.*

**Note: Vocational Competences Units (i.e. accredited work based learning - apprenticeship) are not eligible for a compensatory pass. However, students following programmes that include an Accredited Work Based Learning (AWBL) component are required to pass the AWBL unit in order to be eligible for consideration of a compensatory pass.*

- 12.2.2 *When considering the unit for a compensatory pass, the best mark obtained (i.e. sum of marks from ongoing assessment OR synoptic mark from current or previous years in the case of repeating students) is to be taken into consideration when determining student's eligibility for a compensatory pass.*

- 12.2.3 Students are discouraged to claim a compensatory pass at the level 5 exit point (after the first two years) of the degree programme. However, should they decide to exit the programme and claim the compensatory pass, they are to be made aware by the Institute management that they will not be entitled for another compensatory when re-applying for progression to the final year(s) of the degree programme.

- 12.2.4 *Students who do not qualify for a compensatory pass are to discuss their options with their respective Institute Director.*

- 12.2.5 *All claims by students for consideration of a compensatory pass are to be submitted by the student on the document indicated below and signed by both the student and the Institute Director.*

12.3 Certification

- 12.3.1 *The total mark for the programme is calculated by summing up all the marks obtained in*

(all) the respective Units.

The final percentage mark achieved by the Student for the programme of study is worked out by calculating the overall average mark achieved in all the units of the programme of study.

For a Student to successfully complete the programme of study and hence be eligible for qualification, s/he must achieve a minimum overall mark of 50% for each unit within the programme of study except in the case of a unit that is awarded as a Compensatory Pass – refer to paragraph 12.2)

Candidates who successfully complete the full requirements of a programme of study will be awarded the level appropriate full MCAST certification.

12.3.2 Assessment grades/marks obtained from external accredited institutions by students who participate in exchange programmes (such as ERASMUS; etc) shall be included in the Student's transcript showing that the grades/marks were obtained in transfer. Any such units will therefore not be considered in the overall classification of the qualification. In such cases, when working out the classification of a student, the formula used to determine classification shall be amended to take account of the 'missing' marks as fairly as possible.

This is done in the best interest of the student in order to avoid positive or negative discrimination which can possibly arise due to varying marking practices.

12.3.3 *Candidates who fail to complete the full requirements of a programme of study shall be issued a transcript of their academic record.*

12.4 Classification of Degree Awards

12.4.1 For the purpose of final classification, the results of all three or four years of study contribute to the final classification of the programme.

12.4 Programme Duration

12.4.1 The period for a student to complete a programme of study shall not exceed the following periods:

- a) Three-year Degree Programmes: five years from the date of commencement to date of conclusion;
- b) Four-year Degree Programmes: six years from the date of commencement to date of conclusion;
- c) Part-time accredited programmes: the overall duration of the programme of study can be extended by 3 months for every completed semester.

If a student has suspended his studies and requests to resume, the student shall require a confirmation from the Office of the Registrar that there is an adequate correlation between units already achieved by the student and the remaining units that make up the programme.

If this mapping exercise does not show an adequate correlation, the Registrar may opt to guide the student through an APL process that will allow him/her to use the programme components obtained so far to enter, at a suitable level, into a new, comparable programme.

In general the internship component will relate to a credit value of 6 ECTS or more within the Student's programme of study. Various internship formats exist including the implementation of live cases as well as the more traditional work-based training. Students are expected to demonstrate maturity, discipline, high ethical standards, and respect within this internship period. Information accessible at the work-place is confidential and cannot be taken out of that workplace or used for ulterior purposes.
