1. PURPOSE OF DOCUMENT

It is the policy of MCAST to take a very serious view on plagiarism. The appropriate disciplinary actions are enforced whenever this is discovered.

The purpose of this document is to highlight the importance of authenticity of submitted work by using referencing and thus giving recognition to the work by other people.

- a) Discourage the use of other peoples' work, materials and ideas and passing them as one's own;
- b) Promote academic integrity and encourage Students to read, to form and to express their own ideas; and
- c) Nurture amongst Students the importance of being innovative in their project work and academic essays.
