Enter the search term/s in the **Search** box provided. You can limit your search results by clicking instead on the **Advanced Search** button.

1. You can further refine your search results by choosing from the right hand panel:
 - access rights,
 - year, or
 - content type
2. And sort by Newest to oldest or Oldest to Newest from the **Sorted by relevance** box.
3. Click on the **PDF** icon next to the article to view, download or print.

The screenshot shows the Emerald Insight search results page. The search term 'records management' is entered in the search bar. The results are sorted by relevance. The first result is an article titled 'Continuing professional development for the information discipline of records management. Part 1: context and initial indications of current activities' by Catherine E. Hare, Julie McLeod, and Lesley A. King, published on 1 June 1996. The article is marked as 'Available' and has a PDF icon next to it, which is circled in orange. The PDF icon is labeled 'PDF (52 KB)'. To the right of the article, there is an 'Access' panel with options for 'Only content I have access to' (checked) and 'Only open access' (unchecked). Below the 'Access' panel is a 'Year' panel with a list of time periods and their corresponding number of results: Last week (403), Last month (973), Last 3 months (2247), Last 6 months (3921), Last 12 months (6277), and All dates (62965). At the bottom of the page, there is a 'From Year To Year Go' filter.
