How to Search in ProQuest Ebook Central

ProQuest
Ebook Central™

MCAST

To search, locate and access e-books, go to the [Electronic Library Resources](#) web page.

The screenshot displays the MCAST Library Catalogue website. On the left, a navigation menu lists various services, with 'Electronic Library Resources' circled in orange. An orange arrow points from the text on the left to this circled link. The main content area includes a search bar with the placeholder text 'Keyword / Title / ISBN / Publisher' and a search icon. Below the search bar, there are links for 'Author Search', 'Advanced Search', 'EBSCO Search', and 'Emerald Search'. A section titled 'Recent Additions - Past 5 Months' shows a list of months from August 2021 to April 2021. A 'Most Popular' section features four book covers: 'Experience and education', 'Python machine learning : machine learning and deep', 'Sports Injuries : prevention, diagnosis, treatment', and 'Building a recommendation system with R :'. The 'CINEMATIC STORYTELLING' book cover is partially visible on the right.

Electronic Library Resources: Going beyond our Library Buildings

Besides the physical items found on our shelves (printed books and periodicals, CDs, DVDs, Videos, etc.) the library also gives access to electronic online information.

The library subscribes to the following five databases:

1. [EBSCO Academic Search Ultimate](#) and [EBSCOhost eBook Collection](#);
2. [Emerald](#);
3. [IEEE Xplore](#);
4. [Weblinks Online](#); and
5. [ProQuest Ebook Central](#)

Enter the search term/s and click the **Search** button.

A screenshot of the ProQuest Ebook Central website interface. The top navigation bar includes the ProQuest Ebook Central logo, a search bar, and links for Bookshelf, Settings, and Sign In. The main content area features the headline 'Authoritative ebooks at your fingertips.' Below this is a search input field containing the text 'augmented reality' and a blue 'Search' button. Two arrows point from the text above to the search input field and the Search button. Below the search area are three promotional cards: 'Malta College of Arts Science Technology', 'Ebooks on the go', and 'Trusted content.' with a ribbon icon.

On the results page you can:

- Further refine your search through the left-hand panel; and
- View the table of contents, read online or download the ebook.

View Table of Contents and more, such as no. of copies you can print, download, etc.

When you click on the Read online icon, you will be able to:

- See where the term/s are mentioned in the book, and
- Search for other term/s within the book.

The screenshot shows a search interface for the book 'Augmented Game Development'. The search bar contains the text 'To Search for "business plan"'. Below the search bar, there is a search button and a search icon. The search results show 16 results for 'augmented reality'. The results are displayed in a list format, with a 'By Chapter' filter selected. The list includes chapters such as Cover, Copyright, Credits, About the Author, About the Reviewer, www.PacktPub.com, Customer Feedback, Table of Contents, and Preface. A callout box points to the list of chapters, stating 'Chapters in which search terms appear'.
